International School

## MS Grade 8 Student Book and Supplies for Purchase 2025-2026

### Technology in Middle School

In the MS program, we encourage ownership and responsibility with technology. We are recommending students bring a laptop as one of the school supplies. The brand isn't important; we simply recommend it have a physical keyboard. Students will be taught IT skills in their various subjects that will support their learning throughout middle school.

**Middle School is a no-phone zone: phones are not allowed during school hours.**

### **Additional Supplies**

- ☐ Black Folder

---

### **Art**

As BLIS Visual Arts department we provide some art materials in Visual Arts class however we encourage students to not share materials. We need every student to have their charged laptop computer and Art bag that contains the items listed for each class. Throughout the year if we need items that are not listed below we will let students know ahead of time through mails and our lessons for them to provide with your help.

- **Keep these supplies stocked throughout Grades 6-8**
- **We expect students to use the same process journal for the whole MS years (5-8)**
- Students will be responsible for their materials so please consider labeling them to avoid loss of material during the year

---

### **Additional Art Supplies**

---
